14. CONDITIONS OF ENROLMENT: Remember to sign section 16 on page 6

- The Managing Director reserves the right to dismiss a camper who is in his/her opinion a hazard to the safety and rights of others, or who appears to him/her to have rejected the reasonable controls of "Camp Shalom".
- 2. The parent(s) or guardian(s) submitting this application are those having legal custody over the child/camper. Conditions of custody, if applicable, must be fully communicated in writing to "Camp Shalom", including, if applicable, a photocopy section of any court order referring to visitation rights. The signature on the registration form signifies that both parents/guardians are in agreement with the conditions of enrolment.
- 3. Care is taken for the safety and good health of campers, but in the event of accident or sickness, "Camp Shalom", including the board of directors and staff, and the owners and the employees of facilities outside of the camp grounds are hereby released from any liability. Each camper must be covered by Provincial Health Insurance or equivalent medical insurance.
- 4. In the event that a camper requires special medical attention, x-ray or treatment beyond that which is available at "Camp Shalom", the parents/guardians will be notified immediately and will be charged with the additional expense of transportation and special care.
- 5. I give permission for the Camp Medical Staff to administer any non-prescription drugs as may be required. Any prescription drugs required by the camper should be brought in sufficient quantities as required for the duration of the camper's stay and must be checked in with the Camp Medical Staff upon arrival, who will administer them according to the appropriate schedule.

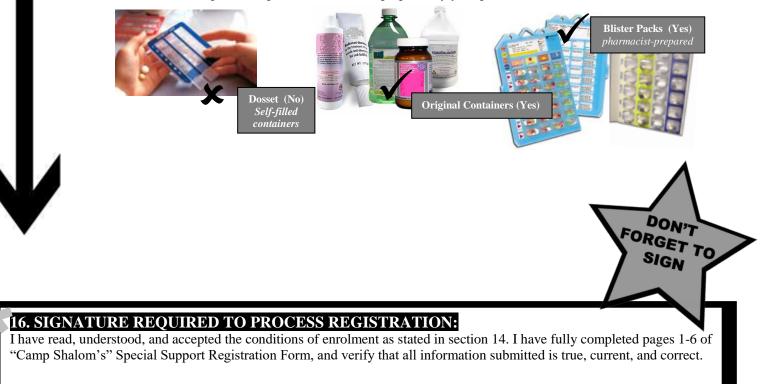

- In case of surgical emergency, I hereby give permission to the physician selected by the Program Director to hospitalize, secure proper treatment for, and to order injection, anesthesia or surgery for my child/camper as named above.
- 7. "Camp Shalom" requires that campers who have potentially life-threatening conditions such as peanut allergies be able to manage their exposure to those substances, provide two sets of medication, be familiar with its use and carry the medication in a fanny pack.
- 8. In case of withdrawal during the camp session on the physician's order, up to two thirds of the fee for the unexpired term will be refunded. No refund will be made for dismissals due to disciplinary action, late arrivals, early departures or head lice.
- I understand that though every precaution is taken to ensure campers safety and well-being, there is the
 potential for contact with insects, poison ivy and/or poison oak during a camping session.
- 10. I understand that campers who take part in out-trips will have their medications administered by a staff member trained in First-Aid.
- 11. I give permission for my child/camper to take part in group out-trips (such as to Pinehurst Conservation Area), realizing that transportation will likely occur in a rented bus, and that there will be an appropriate ratio of supervision (including at least one staff member with First Aid training).
- "Camp Shalom" encourages staff to keep in contact with campers periodically throughout the year. I the parent/guardian permit such contact.
- "Camp Shalorn" has permission to use any image or likeness or recording of my child/camper for promotional material and/or records.

15. NOTE ON MEDICATIONS:

<u>ALL MEDICATIONS</u> brought to camp for the camper's use MUST be in: **1. Pharmacist-prepared Blister ("heat sealed" or "bubble") packs 2. Original containers**
